

FOR IMMEDIATE RELEASE

Sinclair to Host Second Annual Four-Year Transfer Fair for Students

DAYTON, Ohio (2/3/2012) – Sinclair Community College will host their Second Annual Four-Year Transfer Fair on Tuesday, March 6, 2012, from 10 a.m. until 1 p.m. in the Loggia area of the library located in building seven. The event is for all Sinclair students to explore potential four-year institutions and programs that fit best with their educational goals. Representatives from over 50 institutions will attend, including regionally-located and out-of-state universities.

Last year, Sinclair had over 400 students participate in the event, and 3,700 students transferred on to four-year institutions. The Transfer Fair offers students an opportunity to speak with institutions whether they are in their first quarter or closer to graduation. All universities that attend will provide students with literature highlighting their programs and will be available to answer questions throughout the fair.

For more information about the Transfer Fair, please contact Scott Markland at scott.markland@sinclair.edu.
